Dear ATA Family,

With great joy and anticipation, we extend our warmest welcome to all our ATA Family as we gather for our 10th annual Lone Star Championship Tournament. Your presence, support, and participation are the cornerstone of this event, and we are profoundly grateful for your continued dedication to our martial arts community and this Class A Tournament.

To our sponsors, masters, and competitors, your commitment to excellence serves as an inspiration to us all. Together, we embark on this journey of growth, camaraderie, and mutual respect, celebrating the spirit of martial arts.

As we come together in unity, let us remember the words of Jeremiah 29:11 - "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

May this tournament be a testament to our shared passion and commitment, and may it ignite the flames of determination and sportsmanship within each of us. Welcome, and let the tournament begin!

Love,  
Mr.Kalob, Mrs.Charissa,  
Ms.Kyrene & Alannah Cox

## What Is The **The Machado Method**®

### A Systematized Process

The Machado Method of teaching Brazilian Jiu-jitsu has been developed by Master Carlos Machado over the last 50 years to provide the best blueprint for long term teaching success. This means incorporating Warm Ups, Solo-Drills, Partner Drills and Flow Rolling to create the most complete students from white belts to black belts. There are no gaps with the Machado Method.

### Complete Curriculum Cycles

As part of the Machado Method curriculum cycles, each month Master Machado provides full curriculum for Adults, Kids, No Gi, Gi, and Self Defense while giving you the ability to add the techniques that you find valuable at the same time. Each cycle includes full video covering the process concept, and extensions of all techniques. We also have professors note cards containing written instructions for all techniques.

### Rank Certification & Standards

As part of the Machado Method curriculum we have full ranking standards for all belt levels from the white belt to the black belt and every degree in between. This means there is no more guesswork on what your students should know and if they are up to the Machado standards!

### Business Systems

Our team is dedicated to your success and that means leveling up your skills on AND off the mat. With a library of our best practice documents, you will have all the tools and standard operating procedures necessary to run your martial arts school. From waivers to advertising methods, and sales, our library of business systems will help your school thrive.
